Contents inventory

From wigwamstorage.co.uk/tools/contents-value/. Go room by room; price each item at what a similar new item costs today, not what you paid or what it would sell for. For boxes, estimate a value per box. Add it up, include anything still to come, and round up.

Contents inventory (blank)

Room	Item	How many	Cost to replace each, new (£)	Total (£)	Photo taken

Keep this list with photos of anything valuable. It helps your insurer, and you, if you ever need to claim.
